Re: 19AC-CR02384

Dear Mr. Wilcox:

Your application for an attorney has been reviewed, and based on the information you provided, you do qualify for Public Defender services. At this time, we do not have an attorney available to accept new cases in the county in which your case is pending. As a result, your case has been placed on a wait list.

The judge assigned to your case will be made aware of your qualification for services and your waitlist status. You will still be required to appear at any court dates that the court has given you. You can always check the status of your case and your next court date by searching Missouri Case.net at <https://www.courts.mo.gov/casenet>.

We cannot give you an estimate of how long you may be on the wait list, but priority is given to individuals in jail. It is important that you keep this office informed of any changes to your address or telephone number, so if an attorney from this office is eventually assigned to your case, they can make contact with you when you are removed from the wait list.

**In the meantime, if you are not incarcerated, you need to contact at least 3 private attorneys in an attempt to hire counsel, and have this information available to give to the Judge at your next scheduled court date.**

Thank you for your patience and cooperation.

Sincerely,

Justin Carver  
Attorney at Law
