We have a third book now - *Gabi, A Girl In Pieces* by Isabel Quintero.

We had the following that were challenged and removed without going through the review process:

All Boys Aren't Blue by George M. Johnson
Fun Home: A Family Tragicomic by Alison Bechdel
Heavy: An American Memoir Kiese Laymon

I know that currently, we have two books being challenged.

- *Lawn Boy* Jonathan Evison

- *The Bluest Eye Toni Morrison*

Do I need to add to the list? What was the book that was challenged and pulled from the shelves?

Brynne

Hi Brynne,

This is Elizabeth with Fox 2 News and we recently reported about how Lindbergh School District is conducting a review of whether certain books should be removed from the district's high school library. We're reaching out to other school districts to see if they are doing the same.

Has Wentzville School District received any challenges on books in the district's library within the past two academic years?

I would appreciate any information that you can provide.

Thank you and I look forward to hearing back.
